About This House

Gourmet kitchen anyone? This popular plan features an open layout with the gorgeous kitchen playing the central role - GE appliances, Ice White Quartz countertops, white cabinets, and white backsplash! Completing the first level is a morning room, Great Room, dining room and a home office. The entire main level is finished in EVP flooring. The second level features a generous owner's suite, three additional bedrooms, two additional full baths and a laundry room. The basement is finished with a bedroom, full bath and rec room.
