Single-Family

\$819,990

4 Beds | 3 Baths | 2 Half Baths | 4 Levels | 2 Garage | 2,985 Sq Ft

About This House

You'll find Designer Select features throughout this move-in ready townhome! The first floor hosts a 2-car garage, entry foyer, powder room and study. The open and bright second floor offers a sleek cook's kitchen with Iced White quartz countertops, living room, dining and Great Room with fireplace and deck. The third floor has a generously sized owner's suite with en-suite bath with semi-frameless shower, and walk-in closet, laundry room, full bath and two additional bedrooms. The fourth level has an additional bedroom, loft space and an expansive rooftop terrace!
