About This House

Homesite #85 is a beautiful two-story, single-family home with a wonderful location near the front of the community! Walking into the home, you are immediately met with a view of the light-filled great room with included fireplace. This open space flows naturally into the breakfast area and the designer kitchen, which features state of the art appliances, granite or quartz countertops, and an oversized center island. In a private corner of the home, you will find the luxurious owner's suite. This spacious retreat offers elegant tray ceiling detail, several large windows, a spa-like en-suite bath and walk-in closet. Homesite #85 also includes the optional 2nd floor, which offers a spacious bonus room, bedroom and full bath.
