About This House

The Canton at Homesite #79 is expected to be complete in January. This home is a great location on a caul-du-sac near the front of the neighborhood! Homesite #79 is a stunning one-level, single-family home featuring three bedrooms, two baths, and a two-car garage. It has beautiful, wide-plank flooring throughout the common areas, including the open concept living space and designer kitchen, which has quartz countertops, stainless appliances and a large center island. The luxurious owner's suite offers a decadent en-suite bathroom with spa-like shower and a huge walk-in closet. This home also comes with a cozy covered porch with access from both the family room and breakfast area. Act now to make Homesite #79 your new home!
