About This House

The Dover at Homesite #80 is expected to be complete in January. This home is a great location on a caul-du-sac near the front of the neighborhood! Homesite #80 is a fantastic two-level, single-family home featuring four bedrooms, three baths, and a three-car garage. It has beautiful, wide-plank flooring throughout the common areas, including the open concept living space and the Designer Select kitchen, which has upgraded quartz countertops, stainless appliances, walk-in pantry and a large center island. The luxurious first-floor owner's suite offers a decadent en-suite bathroom with spa-like shower and a huge walk-in closet. This home also comes with a screened-in porch with access from both the family room and owner's suite, as well as a large upper level bonus room. Act
