About This Plan

The Laguna is a beautiful, elegant floorplan with an intimate first-floor setting, tons of natural light and lofted ceiling. And with the luxurious first-floor owner's suite, complete with oversized walk-in closet and spa-style en-suite, you'll never want to leave! The second floor awaits you and your guests with a huge loft area, two additional bedrooms and a bathroom. Maximize your entertaining space even more by accenting this home with the optional 2nd owner's suite!
