Base Price

**\$699,990****4 Beds | 3 Baths | 1 Half Bath | 2 Garage**

## About This Plan

This inviting floor plan allows you to make home a space of your own. A foyer opens to a living room, library and powder room before leading you into the open-format kitchen and breakfast area. Make lasting memories on either side with the dining and family room at your disposal. Take some quiet time in one of the upper level's three bedrooms or in the owner's suite, complete with its own sitting room and corner soaking tub.
