About This Plan

Entering The Colton gives you a true sense of sophistication. The foyer leads you into a breathtaking entryway featuring a double sided fireplace connecting the foyer and the living room. The entire main level of this home has every space you could ever want including a library for peace and quiet, a large great room for family movie nights and a spacious kitchen with an expansive island perfect for entertaining. The upper level of this home gives you an additional 3 bedrooms along with the owner's suite. The owner's suite includes a large bedroom, sitting room, luxurious full bathroom and two walk-in closets - talk about space. The lower level of The Colton comes with options for finished spaces like a recreation room or media room for the kids or a home gym.
