About This Plan

Let life flow naturally in this home's open design. A connected library, foyer and flex room serve as built-in entertainment space near the front of the house, while the great room, dining area and kitchen are designed for your family's everyday activity. On the level above however, everyone can enjoy their own private space. An expansive owner's suite includes a full bath, two walk-in closets and a separate sitting room. A hall bath serves two additional bedrooms while the third bedroom includes its own, perfect for overnight guests.
