## About This Plan

Welcome to The Truxton, a 3-bedroom, upper-level home that's truly one of a kind. The open-architecture design of The Truxton is impressive. When you enter the main level, the expansive kitchen with island, dining room, and family room areas open to each other to provide a continuous view from the front of the home to the back, which is helpful whether you're hosting an intimate dinner party or large gathering. The balcony off the kitchen gives you even more space for entertaining or just enjoying a quiet spot outside to watch the sunset. Hands down, a dream kitchen (with an 8' island), makes cooking or entertaining fun in this inviting space. Make your way upstairs and you'll find 3 bedrooms, including a spacious owner's suite retreat, with an even more spacious walk-in closet. A convenient
