About This Plan

Craftsmanship, innovative design, livability - who says you can't have it all? After you see the Longwood, you'll know that you can. The foyer is airy and open to the dining room, making even formal dinners feel casually elegant. The kitchen is a gourmet paradise and features a huge walk-in pantry, eat-at infinity island, and built-in microwave and wall oven. The dinette is perfect for evenings at home and opens to the optional covered porch, bringing the outdoors in. A family room is large but still feels homey don't forget to add the fireplace for a cozy focal point. Tucked off in a service wing is a large family entry with arrival center and and coat closet, and a powder room. A study with optional book shelf makes the perfect place to work from home. Or choose a flex space for a hobby
