About This Plan

The Abriel is a striking, well-designed home that is built to suit the needs of today's modern family. The main floor reflects the Drees signature "living triangle," featuring a conjoining family room, dining area and eat-in kitchen. While there is plenty of space to entertain inside, you will be pleased to discover a covered gathering space, complete with a built-in fireplace, outside. Upstairs, resides the perfect places to retreat and relax. A spacious owner's suite and sleek and spa-like bathroom provide the ideal place to wrap up your day. Additionally, you will find other desirable design features such as a loft for game night and a second floor laundry room.
