## About This Plan

The Wycliff provides a functional floor plan that features an array of options to cater to today's modern family. The first floor provides families with the Drees signature living triangle, an area conjoining the kitchen, dining room and family room, plus a formal room in the front of the home and a flex room that could become a family ready room, sunroom or additional bedroom toward the back of the home. Upstairs, you will find three bedrooms and an owner's suite, plus a laundry room to make your daily routine a breeze. Want to upgrade your owner's suite, creating even more of a retreat? Reconfigure your second floor, opting for an additional sitting area in the owner's suite in lieu of that third bedroom. Additionally, you will have the option to finish the lower level, adding a recreation room and
