About This Plan

This multilayered home has a place for every piece of your life. Stay anchored in a centrally located kitchen, start your day in the breakfast room and share laughs in the great room on the main level. Spread out and relax in an upper level owner's suite while keeping everyone comfortable in two additional bedrooms. Customize an abundance of living space by opting for a recreation room, den and wet bar in place of an unfinished lower level, or develop the highest space in your home into a comfortable loft.
