Base Price

**\$449,900****4 Beds | 2 Baths | 1 Half Bath | 2 Garage**

## About This Plan

Enter this gorgeous home in the foyer with a powder room and closet to your right. Continue past the staircase and you will enter into the spacious open floor plan living area perfect for entertaining and convenient everyday living. The kitchen boasts both a large center island and a spacious pantry. In the front of home you will find a large covered porch just off the great room. Make your way up the stairs to the second level that features the luxurious owner's suite which includes an exceptionally large walk in closet and exquisite bath. On this level you will also find three additional bedrooms and a conveniently located second floor laundry room.
