About This Plan

The Breckenridge is a sleek, elegant home with all the style and comfort you dream of in a new home. From the foyer at the front of the home, you enter into a stunningly-appointed kitchen with all the modern, in-demand amenities, including granite countertops, wide-plank flooring, stainless steel appliances, a large center island, designer cabinetry and a convenient pantry. You can also reach the kitchen directly from the garage via the mud room. This central area of the home is completely open concept, with a large family room and dining room spanning the width of the home. The layout of this floor is ideal for entertaining, watching the game while preparing snacks, or keeping an eye on children while dinner is underway. The second level of this home is all about luxury. The entryway
