Base Price
$649,990

4 Beds | **3** Baths | **2** Garage

About This Plan

The Southampton single-family home sets a new standard for main-level luxury. From the front porch, pass a study and a convenient guest bedroom with walk-in closet. The home's centerpiece is a gorgeous great room, open to a gourmet kitchen with island and a sunlit morning room overlooking the rear deck and covered porch. A first-floor owner's suite exudes luxury, with dual walk-in closets and double vanity bath. Upstairs, a bonus room and optional deck offer more living space, while a full bath and 2 bedrooms with walk-in closets provide total comfort. The 2-car garage Southampton is stunning. *Prices shown generally refer to the base house and do not include any optional features. Photos and/or drawings of homes may show upgraded landscaping, elevations and optional features and
