5 Beds | 3 Baths | 2 Levels | 2 Garage | 3,185 Sq Ft

About This House

Three finished levels! The first level of this three-story home is host to a spacious and versatile finished recreation room, while a private bedroom with full bath is ideal for overnight guests or a home office. Upstairs, the Great Room, kitchen and dining room share an open-concept design, with double doors leading to a study. The kitchen features gorgeous Frost White granite countertops and white cabinets. Four bedrooms occupy the top level of the home, including the luxe owner's suite which is comprised of a restful bedroom, en-suite bathroom and walk-in closet.
