## About This Plan

Convenient living never looked as good as it does in the Tyler, the home that truly lets you have it all! Enter the home and you're in a foyer that lends a sense of arrival without feeling stuffy or closed-in. A flex room is perfect for whatever your lifestyle demands use it as a formal living room, a receiving room, even opt to have it be an extra bedroom with full bath - however you need it to function. You can also make it a formal study with built in book cases and a glass door entry. The dining room is open and inviting, and can accommodate both cozy dinners at home and grand celebrations. A powder room and closet are tucked away so they're convenient. The rear of the home opens into a perfectly designed life triangle, with a warm and inviting family room open over a huge eat-at island to
