About This House

Three finished levels! This new home features a spacious first-floor owner's suite with a spa-like bathroom and large walk-in closet. The main living area showcases an open-design concept with a kitchen with a large center island opening to the Great Room with fireplace and breakfast area. A formal dining room is just past the kitchen, while a home office and powder room are tucked away off the foyer. Upstairs are three large secondary bedrooms, two with walk-in closets and one with its own full bathroom, as well as a hall bathroom. The basement is finished with a rec room and full bath. Granite countertops in kitchen and all full baths. Backs to trees on a fully sodded and irrigated homesite.
