About This Plan

The Chase floor plan is modern living at its best. Park in your 2-car garage and climb the hardwood stairs to your beautiful open-concept first floor. Its rear kitchen with large island is perfect for entertaining, and an optional gas fireplace brings extra warmth to a cozy great room and dining area. Then retire in complete comfort in your expansive owner's suite with a double walk-in closet. With options for stunning outdoor living, including an optional deck and rooftop terrace, the Chase perfectly connects you to the beautiful North Bethesda area just outside your walls.
