2 Beds | 3 Baths | 2 Garage

About This Plan

Each feature in the James is designed with you and your family in mind. An extra upstairs bedroom, perfectly sized to house a grandchild or two for those special overnight visits, comes standard. Planning to have even more guests? You can easily add another upstairs bedroom and even a full bath. And, of course, because it's a Birchwood Carriages design, it features a first-floor owner's suite so that you always have quick and easy access to serenity and relaxation.
