About This Plan

With its focus on open design and light and airy space, the Esquire Place is designed for how people live today. The dining room at the front of the home can easily be converted into a study or flex room. Through a graceful arch, the rear of the home is open and inviting. A gourmet kitchen with walk-in pantry faces the great room over a large island, perfect for entertaining. You'll love the included morning room for informal dinners at home. The owner's wing is located off the great room and offers two huge walk-in closets and a bath with dual vanities, linen closet, and large shower. Or choose the roman shower or soaking tub whatever you prefer, the Esquire Place has it
