Base Price
$564,990

3 Beds | **2** Baths | **1** Half Bath | **2** Garage

About This Plan

The Andrew Carnegie is the perfect fusion of convenience and luxury, offering all the amenities of a single family home in a townhome design. The open kitchen is the heart of the home, featuring a huge island with sink to make all your prep work easy. To the front of the home a formal Dining Room provides plenty of room to entertain without ever feeling cut-off from the rest of the house. A huge Living Room features two patio doors to bring the outside in. Don't forget to add the optional fireplace to add even more light and warmth. Upstairs the Andrew Carnegie boasts three large bedrooms, a full Laundry Room, and a hall linen closet. The Owner's Bedroom is a private retreat, with its bank of windows and optional tray ceiling. An enormous walk-in closet provides plenty of storage space, while the
