About This Plan

Customizing your personal space is where the Ash Lawn shines. The main level casts its share of light with a perfect living triangle featuring a two-story family room, gourmet kitchen, breakfast room, and an optional trendy outdoor living area. The private study provides space for a home office and the dining room is great for formal entertainment. You also have the option to add a sunroom, guest bedroom or extended kitchen with pocket office. The base floor plan for the second level includes a laundry room, three bedrooms and an owner's suite. Enjoy a luxurious bath and huge walk-in closet in the owner's suite, plus the option to add a sitting room and fireplace. Other options for customization include adding a game room or extra bedroom. You can also finish the lower level for
