About This Plan

The Peacefield is a classic home with modern luxuries. A private study (or optional guest suite) and formal dining room are located off the two-story foyer; as you continue into the home, you'll be greeted with a spacious, open main living area. The adjoining family room, kitchen and breakfast room form the living triangle- a great space for entertaining. Plus you have the option to add outdoor living for additional entertainment space. Best of all, the first floor owner's suite features a 180-degree view, luxurious spa bath and huge walk-in closet; enjoy relaxing after a long day in this personal oasis. Three additional bedrooms are located upstairs; you have the option to turn one of the bedrooms into a loft or add a guest suite with sitting area, full bath and kitchenette. If additional space is
