\$650,990

4 Beds | 2 Baths | 1 Half Bath | 2 Garage

About This Plan

This spacious two-story home features a flex room for a potential study area, a cozy den tucked near the back and a mudroom connected to the two-bay garage for ease of access. There is a contemporary open layout in the breakfast area, kitchen and family room that extends to the patio for outdoor living. Upstairs is a loft surrounded by four bedrooms.
