Base Price

**\$694,900**

**4 Beds | 2 Baths | 1 Half Bath | 2 Garage**

## About This Plan

Walking inside the Providence is like stepping into the dream home you've always imagined, from the open floor plan to the picture-perfect features. You can retreat into your study for a quiet place to read or work. You can soak your cares away in your owner's suite bath with a freestanding tub. It's all included, and you'll have even more opportunities to personalize this incredible design to be everything you need in your new home.
