

Base Price

\$799,990

4 Beds | 4 Baths | 1 Half Bath | 2 Garage

About This Plan

Convenient living never looked as good as it does in the Tyler, the home that truly lets you have it all! Enter the home and you're in a foyer that lends a sense of arrival without feeling stuffy or closed-in. A flex room is perfect for whatever your lifestyle demands use it as a formal living room, a receiving room, even opt to have it be an extra bedroom with full bath - however you need it to function. You can also make it a formal study with built in book cases and a glass door entry. The dining room is open and inviting, and can accommodate both cozy dinners at home and grand celebrations. A powder room and closet are tucked away so they're convenient. The rear of the home opens into a perfectly designed lifestyle triangle, with a warm and inviting family room open over a huge eat at
