Base Price

\$600,900

3 Beds | 2 Baths | 1 Half Bath | 2 Garage

About This Plan

The kitchen is the heart of the home and the center of the main level experience inside the Henson. It s flanked by ample spaces for entertaining or relaxing. The second level includes a spacious owner's suite, a secondary bedroom with full bath, and a laundry room. The top level is highlighted by a third bedroom, a loft and a rooftop terrace. The lower level offers a 2-car garage spacious garage or an optional 1-car garage with with a lower level rec room for additional space. Visit our New Home Gallery today to discover more!
