\$1,067,990

5 Beds | 3 Baths | 3 Garage

About This Plan

Sprouting up just south of historic downtown Leesburg is an entirely new community of 400 single family homes—a neighborhood that reflects the comfort and charm of small town America. Spacious homes inspired by the architectural legacy of rural Virginia weave the pattern of hometown streetscapes, interspersed with the modern lifestyle and healthy living amenities that your family needs.

About This Community

Sprouting up just south of historic downtown Leesburg is an entirely new community of 400 single family homes—a neighborhood that reflects the comfort and charm of small town America. Spacious homes inspired by the architectural legacy of rural Virginia weave the pattern of hometown streetscapes, interspersed with the modern lifestyle and healthy living amenities that your family needs.
