## About This Plan

The Tydings is a beautiful, intuitively-designed townhome that will be the perfect fit for you and your family! Crossing the threshold of this home into the foyer, you will find a wide stairway as well as convenient storage cubbies. Down the short hallway is the doorway to the one-car garage, additional storage and a huge recreation room with a door leading to the backyard. This room makes for an ideal secondary entertaining space, especially if you choose to add the optional half bath by the front door. But the main level is the true showpiece of the home. With its completely open concept design, you will be able to really feel how much space this home has to offer! The family room, dining room and kitchen all flow seamlessly together, yet still have their own distinct place. You will
