

Base Price
\$459,990

3 Beds | 2 Baths | 1 Half Bath | 2 Garage

About This Plan

If you're looking for room to spread out, then The Easton is the home for you! With the largest square footage of the townhomes at Tanyard Shores, this home will check off all the boxes on your new home wish list. From the open, airy foyer, you can either go down a half flight of stairs into an enormous recreation room or up to the main living area, and this is where you can appreciate the sheer scale of this home. The main level is a cavernous open concept design with a massive center kitchen island, dividing the area naturally into a huge living room at the front of the home and a sizeable dining room in the back. The kitchen is definitely the heart of this home, and with its stunning granite countertops, name brand appliances, large pantry, and built-in wine rack and coffee space, you are sure to
