About This Plan

The Norwood at Watson's Glen is functional and sophisticated. Strategically designed featuring 2,291 square feet of open living space. The lower level with included rec room offers you the opportunity to personalize this home to how you live. Need a dedicated office space or guest bedroom? We have you covered. The chef inspired kitchen with expansive island and large pantry is the heart of this home. The opportunity for rear kitchen makes this main living level even more spectacular. A spacious great room and separate dining room make this home the ideal location for entertaining. Relax and rejuvenate on the second floor with a large primary suite featuring a huge walk-in closet and bath with dual vanities. Two roomy secondary bedrooms and laundry room complete the second floor.
