Base Price

**\$237,990**

**3 Beds | 2 Baths | 2 Garage**

## About This Plan

When you build a Pisa Torre at Wood Creek, you'll enjoy 1407 square feet of living space and a split-bedroom plan and The Foyer features a large coat closet, with Bedrooms 2 and 3 to your left. Through the house is the great room with optional fireplace, open to the dining area and with a breakfast bar into the kitchen. Add the morning room for more light and area for entertaining. The owner's bath has a shower as standard, or get the upgrade Roman shower. The optional basement can also be finished with an optional bath or optional bedroom and bath. The Pisa Torre has several traditional, classic elevations and cottage available. \*Prices shown generally refer to the base house and do not include any optional features. Photos and/or drawings of homes may show upgraded landscaping, elevations,
