## About This Plan

Welcome to your new home. The Chambord at The Woodlands Condos a spacious elevator condo with a 1-car garage. As soon as you enter the foyer, you'll see how luxury and convenience can converge to create the home you need in the space you want. A large coat closet and storage area give you plenty of space to stow your things. As you walk in, the light and airy Great Room greets you with a bank of windows through the Sunroom, leading to a private balcony. Don't forget to add the optional fireplace to make your space even cozier! Open to the Great Room over a convenient breakfast bar, the Kitchen features plenty of counter and cabinet space and a large pantry. The Owner's Bedroom features two large closets (one of which is a walk-in). The owner's bath has a double bowl vanity.
