**\$187,990**

**3 Beds | 2 Baths | 1 Garage**

## About This Plan

The Simply Ryan Juniper combines all the amenities of single family living with all the conveniences of a townhome into one design you'll love calling home. The welcoming foyer features a huge closet conveniently placed. The main level is open and airy, with a large, well-designed kitchen that's open to the living area so you'll never miss a conversation. Choose the optional island for even more workspace or select the optional half bathroom. A dining area provides a great space for entertaining or cozy evenings at home. Upstairs are three large bedrooms, each with plenty of closet space, a laundry closet that can hold a full-size washer and dryer, and a generous hall bath. The owner's suite is a quiet retreat and features its own full bath and a huge walk-in closet. The lower level provides
