About This Plan

The Pisa Torre single-family home features a desirable ranch-style floor plan. Enter through the foyer, where two spacious bedrooms and a full bath are found to your left. The great room opens to the dining area and flows into the gourmet kitchen with a breakfast bar. Add the morning room for more light and space for entertaining. Off the 2-car garage, a mud room helps control clutter. Your luxurious owner's suite includes a double vanity bath and expansive walk-in closet. Finish the basement level to add a guest suite and even more storage space. The Pisa Torre was made for main-level living. *Prices shown generally refer to the base house and do not include any optional features. Photos and/or drawings of homes may show upgraded landscaping, elevations and optional features and may not
