About This Plan

The Princeton plan is a versatile single-family home starting at 3,070 square feet, with options to expand up to 5,840 square feet of luxurious living space. The home can be built with a two or three car garage and is available in many elevations, including brick and stone combination fronts and craftsman styles. Inside, enjoy many desirable features including a two-story foyer, two-story family room, optional in-law suite and multiple options to upgrade to a gourmet or deluxe kitchen. A luxury owner's retreat can be designed with a sitting area, fireplace, his & her walk-in closets and our popular Caribbean or California spa bath. Your basement is ready for entertaining with options like a theater room, wet bar and a den or 5th bedroom. Personalize this luxurious home with hundreds of available options.
