Base Price
$359,990

3 Beds | **2** Baths | **2** Garage

About This Plan

Welcome to your dream home, where form meets function, and where convenience and livability are never boring. Enter into the formal foyer and you find yourself in a large, light-filled room that feels luxurious yet still functions beautifully. True open-plan design means you can furnish it to fit your lifestyle. A formal dining area can be intimate for small gatherings, or expand for family events. The great room can feature a cozy fireplace, and is open to the kitchen over a convenient island, with room for a table for more informal dining. Or choose the gourmet island and the kitchen becomes a cook's paradise! Don't forget to add the covered porch and bring the outdoors in. A laundry and door to the garage are tucked away but still provide access to the optional arrival center. The owner's suite is
