About This Plan

This cozy home offers upscale options that are sure to please. The Jackson features main-level living with the owner's suite on the first floor. You have the option of having up to 2 additional bedrooms on this level, or one bedroom with a study, in addition to having an open great room and kitchen perfect for gatherings with friends and family. The optional loft can easily become a cozy escape perfect for a movie room, man cave, studio or anything your heart desires - the possibilities are endless.
