

Base Price

\$684,990

2 Beds | 2 Baths | 1 Half Bath | 1 Garage

About This Plan

This is a home design built with your lifestyle in mind. The Aston is a modern floorplan that embodies the concept of open space, natural light, and intuitive room-to-room flow. Each room in The Aston has a purpose: private space to focus on work, family space for relaxation or entertaining, and open spaces to enjoy morning sunlight. Beautiful, functional, and fitting - The Aston is imagined and designed for the way you live.
