About This Plan

This new two-story home design optimizes comfort and convenience. The first floor showcases an open-plan layout among the kitchen, breakfast room and Great Room. A formal dining room is situated off the foyer, while a home office is tucked in a back corner for added privacy. The second floor features four bedrooms including a lavish owner's suite with a luxe bathroom and two walk-in closets. The generously sized unfinished basement offers options for a recreation room, additional bedroom and full bathroom.
