2 Beds | 2 Baths | 1 Garage

About This Plan

This new home is conveniently laid out on a single floor for maximum comfort and convenience. At its heart stands an open-plan layout connecting a multi-functional kitchen, lovely dining room and welcoming Great Room, which features sliding-glass doors to a patio that's perfect for morning coffee and starlight suppers. A luxurious owner's suite features a spa-inspired bathroom and spacious walk-in closet. A secondary bedroom off the foyer provides a secluded retreat for family members or overnight guests.
