Base Price

\$444,990

3 Beds | 2 Baths | 1 Half Bath | 2 Garage

About This Plan

The Potomac plan is a garage townhome home with up to 2,607 square feet of living space, a two-car front load garage and several classic elevations to choose from. Inside, the main level offers an open floorplan with a central kitchen that is perfect for entertaining. The home comes standard with 3 bedrooms and 2.5 baths with the option to finish a rec room and additional bath on the bottom level. The Potomac also offers an optional 3rd floor loft which includes a bonus room, a full bath and an optional balcony. Choose from many options and finishes to reflect your personality and make this home your own. Photos of a similar plan used for representation only.
