4 Beds | 4 Baths | 3 Levels | 2 Garage | 5,144 Sq Ft

About This House

Welcome to the Sierra Model Home in Fawn Lake! This home features beautiful vaulted ceilings in the great room, den and even the upstairs loft! The stunning, sun-filled windows provide natural light throughout. The spacious kitchen has a huge center island, perfect for entertaining and preparing daily meals, and also opens up into the great room, highlighted by a see through fireplace and striking chandelier. You'll fall in love with all of the rooms in this home -the first floor master suite, the loft, finished lower level, you name it. This entire home is charming and comfortable, making it the perfect place for you to want to call home! Come learn more about this floorplan while visiting the Sierra Model Home.
