Base Price

**\$255,990**

**2 Beds | 2 Baths | 2 Garage**

## About This Plan

The Barlow is a new villa home design that lives like a single-family home! This home includes two bedrooms, two bathrooms and a flex room which is ideal for a home office or hobby room - think quilting, crafting, photography! The open kitchen, great room and dining area is perfect for entertaining. The Barlow also features plenty of storage, a 2-car garage and spacious owner's suite with full bath and walk-in closet! Additional options include a loft and a screened porch!
