Base Price

**\$550,900**

**2 Beds | 2 Baths | 1 Half Bath | 2 Garage**

## About This Plan

As the premier design of the Craftsman Bungalow series, this sought-after end unit combines a 2,740 square foot open floor plan with the convenience of main-level living. Personalize your design to create the home of your dreams, complete with a gourmet kitchen, luxurious first-floor owner's suite, 2-car garage and an optional rooftop terrace. An upstairs bedroom, bath and loft provides ample room for hosting family or friends. Plus a flexible basement space can be tailored to fit your needs, from recreation to storage space.
