Base Price

\$472,900

2 Beds | 2 Baths | 1 Half Bath | 2 Garage

About This Plan

At 2,226 square feet, the Bridgewater includes a main-floor owner's suite and plenty of space to entertain between the open kitchen, living areas and optional outdoor patio. The second floor provides another bedroom and full bathroom for family or guests. It's also equipped with a large loft space and an optional second-floor outdoor terrace. The basement offers more space to spread out with optional rec room, flex room and extra bathroom.
