About This Plan

The Radcliffe at West Park can be personalized up to 5,157 square feet. The main level is highlighted by the open, flowing design that unites an impressive kitchen and a spacious great room. Optional outdoor living space or an optional first-floor guest suite are the perfect added touches. The second-floor owner's suite will be your sanctuary, yet you'll have easy access to three more bedrooms and a laundry room. Finish the lower level with options for a recreation room, den and additional bedroom.
